

Personal Bio

ROBBYN MICHALKA

DIRECTOR

Texas AHEC East—Victoria Region

Robbyn Michalka has a B.S. in Health Education from Texas State University. She has over 28 years experience in program administration and rural health care.

Currently, she is the Director of the Texas AHEC East—Victoria Regional Operation. As such she is responsible for the program administration, management, development and maintenance of an integrated, community-based regional organization to effectively and efficiently address and support achievements of the Texas AHEC East objectives.

During the past 20 years with AHEC, she has developed and managed two regional centers within Texas AHEC East, and is currently responsible for overseeing all workforce development programs and community health support services for the 14 counties in the Victoria region.
